**EXTERNAL:**

Hi Rebecca,

Sorry for the delay in responding.

Finance is working to get releases done before the EOY. I should have a better idea about how things are progressing and will follow-up by next Wed.

Best, MJ

Good Morning Ms. Johnson,

My apologies if you have responded regarding the attached invoice previously, our previous invoicing person, Hugo, has left the university and I have taken over for invoice processing and accounts receivable questions.

The attached invoice was sent in June and to date we have not received any payments toward the invoiced amount. Can you please let me know if there is an issue with sending payment or if further information is needed from Stevens for processing payment?

Thank you in advance for your attention to this!

Take Care,

Becky Ashley
